

EMPLOYMENT

Post-Doctoral Fellow, Northwestern University (2015-present)

EDUCATION

- Ph.D.** Texas A&M University, *Social Psychology* (2015)
M.A. California State University, Long Beach, *Psychological Research* (2009)
B.A. California State University, Long Beach, *Psychology* (2006)

AWARDS, HONORS, AND FELLOWSHIPS

- Training Program in the Neuroscience of Human Cognition (NIH, T32 NS047987; 9/2018 – present)
Postdoctoral Professional Development Travel Award, Northwestern University, \$500 (2017)
Saul B. Sells Research Excellence Award, Texas A&M University, \$2,000 (2015)
College of Liberal Arts Dissertation Enhancement Grant, Texas A&M University, \$2,061 (2014)
Student Poster Award, SPSP Self and Identity Pre-conference (2014)
Student Travel Award, Society for Personality and Social Psychology (2013)
Diversity Travel Award, Society for Personality and Social Psychology (2013)
College of Liberal Arts Professional Development Grant, Texas A&M University, \$2,000 (2012)
Diversity Fellowship, Texas A&M University (2010-2013)
College of Liberal Arts distinguished graduate award (2010)
Gilbert J. Padilla Memorial Award, CSU Long Beach (2010)
Graduate Dean's List, CSU Long Beach (2010)
Sally Casanova Pre-Doctoral Scholarship, CSU Long Beach - Honorable Mention (2007)
College of Liberal Arts Exceptional Student Award, CSU Long Beach (2006)
Phi Kappa Phi Honor Society (2002)

PUBLICATIONS († = Student Author; * = Equal Contribution)

PRESENTATIONS

Invited Colloquia

- Williams College (January 2015)
California State University, Long Beach (February 2015)
North Dakota State University (January 2018)
The New School for Social Research (February 2018)

Conference Symposia Organized

- Kelley, N.J.** & Glazer, J.E. (October 2018). *Broadening the time-course of ERP components implicated in reward processing: Implications for emotion, cognition, and psychopathology*. Symposium organized for the annual meeting for the meeting of the Society for Psychophysiological Research, Quebec City, Quebec, Canada.

- Kelley, N. J.** & Schmeichel, B. J. (May 2014). *The relationship between touch perception and socioemotional processes*. Symposium organized for the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Kelley, N. J.** & Hicks, J. A. (May 2014). *The Positive Consequences of Abstract Construals*. Symposium organized for the annual meeting of the Association for Psychological Science, San Francisco, CA.

Paper Presentations

- Kelley, N.J.**, Glazer, J.E., Pornpattananangkul, N & Nusslock, R. (October 2018). Distinct profiles of reward-related neural activity characterize reappraisal versus suppression Emotion regulation tendencies. In N.J. Kelley & Glazer, J.E. (co-Chairs), *Broadening the time-course of ERP components implicated in reward processing: Implications for emotion, cognition, and psychopathology*. Symposium conducted at the annual meeting for the meeting of the Society for Psychophysiological Research, Quebec City, Quebec, Canada.
- Nadig, A., **Kelley, N.J.**, Pornpattananangkul, N., Glazer, J.E., & Nusslock, R. (October, 2018). Shifts in Attentional Scope Modulate Reward-Evoked ERPs. In N.J. Kelley & Glazer, J.E. (co-Chairs), *Broadening the time-course of ERP components implicated in reward processing: Implications for emotion, cognition, and psychopathology*. Symposium conducted at the annual meeting for the meeting of the Society for Psychophysiological Research, Quebec City, Quebec, Canada.
- Glazer, J.E., **Kelley, N.J.**, & Nusslock, R. (October 2018). Distinct and Opposite Profiles of Reward-Related Neural Activation in depression and mania. In N.J. Kelley & Glazer, J.E. (co-Chairs), *Broadening the time-course of ERP components implicated in reward processing: Implications for emotion, cognition, and psychopathology*. Symposium conducted at the annual meeting for the meeting of the Society for Psychophysiological Research, Quebec City, Quebec, Canada.
- Kelley, N. J.**, Salter, P.S., Thai, L.T, & Molina, L.E. (July 2016). Visualizing the past: Racial retrieval cues increase the accessibility of social justice concepts. Paper presented at the 23rd congress of the International Association of Cross-Cultural Psychology, Nagoya, Japan.
- Schmeichel, B. J., Crowell, A., & **Kelley, N. J.** (May 2015). *Approach-avoidance motivation and self-control*. Paper presented at the annual meeting of the Society for the Study of Motivation, New York, NY
- Davis, W.E., **Kelley, N. J.**, & Hicks, J.A. (May 2015). Gender differences in the relationship between anger and the search for meaning in life. In J.A. Hicks & M. Vess, (co-Chairs), *The search for meaning in life: Its interface with cognition, motivation, and emotion*. Symposium conducted at the meeting of Association for Psychological Science, New York, NY.
- Kelley, N. J.** & Schmeichel, B. J. (May 2014). *The effect of negative emotions on tactile sensitivity: Fear but not anger decreases tactile sensitivity*. In N.J. Kelley, & B.J. Schmeichel, (co-Chairs), *The relationship between touch perception and socioemotional processes*. Symposium conducted at the meeting of Association for Psychological Science, San Francisco, CA.
- Hicks, J. A., **Kelley, N. J.**, Davis, W. E., Tang, D., & Kim, J. (May 2014). *Abstract goal pursuit, perseverance, and feelings of meaning*. In N.J. Kelley & J.A. Hicks, (co-Chairs), *Positive consequences of abstract construal*. Symposium conducted at the meeting of Association for Psychological Science, San Francisco, CA.
- Schmeichel, B. J., & **Kelley, N. J.** (May 2014). *Mortality salience decreases delay discounting*. In N.J. Kelley & J.A. Hicks, (co-Chairs), *Positive Consequences of Abstract Construals*. Symposium conducted at the meeting of Association for Psychological Science, San Francisco, CA.
- Schmeichel, B. J., & **Kelley, N. J.** (January 2013). *Disgusted by death: Disgust sensitivity moderates defensive responses to mortality salience*. Paper presented at the 2013 Motivation and Emotion Scientific Symposium, Tuscaloosa, AL.
- Harmon-Jones, E., **Kelley, N. J.**, & Hortensius, R. (April 2012). *Using transcranial direct current stimulation to understand the effects of asymmetric frontal cortical activity on angry responses*. Symposium presentation at Society for Australasian Social Psychologists, Adelaide, South Australia, Australia.

Poster Presentations

- Chat, I.K., **Kelley, N.J.**, Vinograd, M., Perez, M., Zinbarg, R.E., Young, K.S., Echiverri, A., Craske, M.G., Miller, G.E., & Nusslock, R. (2018). *General distress in anxiety and depression associated with increased systemic inflammation*. Poster to be presented at the annual meeting of the Society for Research in Psychopathology, Indianapolis, IN.
- Vinograd, M., **Kelley, N.J.**, Young, K.Y., Zinbarg, R.E., Nusslock, R., & Craske, M.G. (2018). *The impact of early life adversity on working memory for negative and neutral information among young adults*. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.

- [†]Akuamoah, J., Damme, K.S.F, & **Kelley, N.J.** (2018). *Reconsidering the role of brain images on judgments of scientific reasoning*. Poster presented at the meeting of the Society for Personality and Social Psychology Atlanta, GA.
- [†]Smith, E.E. & Glazer, J.E., & **Kelley, N.J.** (2018). *What are the psychological costs of altruistic behavior?* Poster presented at the meeting of the Society for Personality and Social Psychology Atlanta, GA.
- Kelley, N.J.**, Glazer, J.E., Pornpattananangkul, N & Nusslock, R. (March 2018). *Distinct Profiles of Reward-Related Neural Activity Characterize Reappraisal versus Suppression Emotion Regulation Tendencies*. Poster presented at the meeting of the Society for Personality and Social Psychology Atlanta, GA.
- Nunez, M., **Kelley, N.J.**, Mittal, V.A., & Zinbarg, R. (October 2017). *Anodal tDCS over the right dorsolateral prefrontal cortex undermines exposure therapy via elevated avoidance motivation*. Poster presented at the meeting of the Society for Psychophysiological Research, Vienna, Austria.
- Kelley, N.J.**, Glazer, J.E., Pornpattananangkul, N & Nusslock, R. (September 2017). *Elevated emotion suppression associated with blunted reward sensitivity*. Poster presented at meeting of the Society for Research in Psychopathology, Denver, CO.
- Damme, K.S.F., **Kelley, N.J.**, Nusslock, R., Young, C.B., Chein, J., Black, C., O'Garro-Moore, J., & Alloy, L. (September 2017). *Bipolar Spectrum Diagnosis By Sex Interaction in Medial Orbitofrontal Cortical Volume*. Poster presented at the meeting of the Society for Research in Psychopathology, Denver, CO.
- Gupta, T., **Kelley N.J.**, Dean, D.J., Ristonavic, I., Maloney, J.F., & Mittal, V.A. (September 2016). *Cerebellar tDCS and procedural learning in non-clinical psychosis*. Poster presented at the meeting of the Society for Research in Psychopathology, Baltimore, MD.
- Glazer, J.E., Pornpattananangkul, N., **Kelley, N.J.**, [†]Singh, B., [†]Kittleson, A., & Nusslock, R. (September 2016). *Attenuated reward-positivity in depression depends on reward-delay*. Poster presented at the meeting of the Society for Research in Psychopathology, Baltimore, MD.
- Kelley, N.J.**, Glazer, J.E., Pornpattananangkul, N & Nusslock, R. (September 2016). *Elevated emotion suppression predicts reduced reward anticipation: Evidence from the stimulus-preceding negativity*. Poster presented at the meeting of the Society for Psychophysiological Research, Minneapolis, MN.
- Garrison, K.E., [†]McDonald, J.B, Crowell, A.L., **Kelley, N.J.**, & Schmeichel, B.J. (September 2016). *The effects of acute Acetaminophen administration on the late positive potential during passive image viewing*. Poster presented at the meeting of the meeting of the Society for Psychophysiological Research, Minneapolis, MN.
- [†]Nadig, A.G., Pornpattananangkul, N., **Kelley, N.J.**, Glazer, J.E., & Nusslock, R. (September 2016). *Attentional scope differentially impacts anticipatory versus consummatory reward-related neutral activity*. Poster presented at the meeting of the Society for Psychophysiological Research, Minneapolis, MN.
- [†]McDonald, J.B, Crowell, A.L., **Kelley, N.J.**, Garrison, K.E., & Schmeichel, B.J. (May 2016). *The effects of acute Acetaminophen administration on the late positive potential during passive image viewing*. Poster presented at the meeting of the Association for Psychological Science, Chicago, IL.
- Finley, A.J., **Kelley, N.J.** & Schmeichel, B.J. (May 2016). *Trait self-control facilitates analytical processing of death-related thoughts*. Poster presented at the meeting of the Association for Psychological Science, Chicago, IL.
- Kelley, N.J.** & Schmeichel, B.J. (February 2015). *Right frontal asymmetry facilitates the inhibition of motivated responding*. Poster presented at the Self-Regulation Pre-conference of the meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Kelley, N. J.**, Salter, P.S., Thai, L.T, & Molina, L.E. (September 2015). *Visualizing the past: Racial retrieval cues increase the accessibility of social justice concepts*. Poster presented at the meeting of the Society for Psychophysiological Research, Seattle, WA.
- Kelley, N. J.**, Salter, P.S., Thai, L.T, & Molina, L.E. (May 2015). *Out of sight, out of mind: Racial retrieval cues increase the accessibility of freedom, equality, and justice*. Poster presented at the meeting of the Association for Psychological Science, New York, NY.
- Kelley, N.J.** & Schmeichel, B.J. (February 2015). *Self-control of avoidance motivation: Implications for understanding frontal cortical asymmetry*. Poster presented at the Emotion Pre-conference of the meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- Davis, W.E., **Kelley, N. J.**, & Hicks, J.A. (February 2015). *Gender differences in the relationship between anger and the search for meaning in life*. Poster presented at the meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- Kelley, N. J.**, Eastwick, P. W., Harmon-Jones, E., & Schmeichel, B. J. (February 2015). *Induction of relative left frontal cortical activity with transcranial direct current stimulation increases jealousy*. Poster presented at the meeting of the Society for Personality and Social Psychology, Long Beach, CA.

- Kelley, N. J.**, & Schmeichel, B. J. (September 2014). *The self-regulation of avoidance motivation*. Poster presented at the meeting of the Society for Psychophysiological Research, Atlanta, GA.
- Kelley, N. J.**, & Schmeichel, B. J. (February 2014). *Mortality salience decreases delay discounting*. Poster presented at the Self and Identity Pre-conference of the meeting of the Society for Personality and Social Psychology, Austin, TX.
- Smith, C. M., **Kelley, N. J.**, Hirsch, K. A., & Schlegel, R. J. (February 2014). *Evidence that self-reflection predicts self-knowledge in the absence of rumination*. Poster presented at the Self and Identity Pre-conference of the meeting of the Society for Personality and Social Psychology, Austin, TX.
- Tang, D., **Kelley, N. J.**, Schmeichel, B. (February 2014). *Look Positive: Thinking about death biases overt visual attention to rewards (versus threats), but only among those higher in trait self-control*. Poster presented at the Self and Identity Pre-conference of the meeting of the Society for Personality and Social Psychology, Austin, TX.
- †Smarr, J.L., **Kelley, N. J.**, & Schmeichel, B. J. (February 2014). *The effects of sex and weight on punishment for moral transgressions*. Poster presented at the meeting of the Society for Personality and Social Psychology, Austin, TX.
- Kelley, N. J.**, & Schmeichel, B. J. (February 2014). *The effect of negative emotions on tactile sensitivity: Fear but not anger decreases tactile sensitivity*. Poster presented at the meeting of the Society for Personality and Social Psychology, Austin, TX.
- Kelley, N. J.**, Eastwick, P. W., Harmon-Jones, E., & Schmeichel, B. J. (October 2013). *When jealousy leads to aggression: Induction of relative left frontal cortical activity with transcranial direct current stimulation increases the jealousy–aggression relationship*. Poster presented at the meeting of the Society for Psychophysiology Research, Florence, Italy.
- Tang, D., **Kelley, N. J.**, Schmeichel, B. (September 2013). *Look Positive: Thinking about death biases overt visual attention to rewards (versus threats), but only among those higher in trait self-control*. Poster presented at the meeting of the Society for Psychophysiology Research, Florence, Italy.
- Kelley, N. J.**, & Schmeichel, B. J. (May 2013). *The effect of emotions on tactile sensitivity*. Poster presented at the meeting of the Association for Psychological Science, Washington, DC.
- Kelley, N. J.**, Crowell, A. L., Schmeichel, B. J. (January 2013). *Exercising self-control causes a bias in visual attention to rewarding images among individuals higher in trait approach motivation*. Poster presented at the Self-regulation Pre-conference of the meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- Crowell, A. L., Hawkins, K., **Kelley, N. J.**, Harmon-Jones, E., & Schmeichel, B. J. (January 2013). *Neural correlates underlying self-control and approach motivation: Error-related negativity, and late-positive potentials*. Poster presented at the Self-regulation Pre-conference of the meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- Kelley, N. J.**, Tang, D., Hicks, J. A., and Harmon-Jones, E. (January 2013). *Does anger imbue life with purpose in life in the face of social isolation?* Poster presented at the meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- Crowell, A. L., **Kelley, N. J.**, Schmeichel, B. J. (January 2013). *Trait approach motivation moderates the aftereffects of exercising self-control*. Poster presented at the meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- Tang, D., **Kelley, N. J.**, Schmeichel, B. J. (January 2013). *Look me in the eye: Manipulated eye gaze affects dominance behavior*. Poster presented at the Society for Personality and Social Psychology, New Orleans, LA.
- Kelley, N. J.**, Crowell, A. L., Schmeichel, B. J. (September 2012). *Exercising self-control causes a bias in visual attention to rewarding images among individuals higher in trait approach motivation*. Poster presented at the meeting of the Society for Psychophysiology Research, New Orleans, LA.
- Crowell, A. L., Hawkins, K., **Kelley, N. J.**, Grant, B., Harmon-Jones, E., & Schmeichel, B. J. (September 2012). *Neural correlates underlying self-control and approach motivation: Error-related negativity, and late-positive potentials*. Poster presented at the meeting of the Society for Psychophysiology Research, New Orleans, LA.
- Kelley, N. J.**, Crowell, A. L., Harmon-Jones, E., & Schmeichel, B. J. (January 2012). *The outlook's not so bleak: Mortality salience, disgust sensitivity, and the optimistic perception of future life events*. Poster presented at the meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Kelley, N. J.**, & Harmon-Jones, E. (September 2011). *When you can't react, ruminate: Manipulated right frontal cortical asymmetry increases rumination in response to provocation*. Poster presented at the meeting of the Society for Psychophysiology Research, Boston, MA.
- Kelley, N. J.**, Pedersen, W. C., Simons, D. J., Eifler, J., Fong, K., Kitabayashi, N., Garcia, C., Dosta, J., Grosvenor, M., Young, N., Mathews, L., Pedram, C. (January 2010). *Why some people kick the barking dog harder than others:*

The impact of trait displaced aggression, provocation intensity, and rumination on triggered displaced aggression. Poster presented at the meeting of the Society for Personality and Social Psychology, Las Vegas, NV. Kelley, N. J., Pedersen, W. C., Vasquez, E. A., Eifler, J., Fong, K., Kitabayashi, N., Garcia, C., Dosta, J., Grosvenor, M., Young, N., Mathews, L., Pedram, C., Herrera, A., & Chua, I. (February 2009). *The impact of public provocation and provocation intensity on aggressive behavior.* Poster presented at the meeting of the Society for Personality and Social Psychology, Tampa, FL.

Denson, T. F., Pedersen, W. C., Sargent, E., Kelley, N. J., Patel, S., Cruz, L., & Miller, N. (May 2006). *Trait displaced aggression, rumination, health outcomes, and life satisfaction.* Poster presented at the meeting of the Association for Psychological Science, New York, NY.

MEDIA COVERAGE

Brooks, A.C. (2016, January 9). To be happier, start thinking more about your death. *The New York Times*.

TEACHING EXPERIENCE

Courses Taught

Research Methods Laboratory, *Texas A&M University* (2012-2015)

Graduate Teaching Assistant

Introductory Psychology, *California State University, Long Beach; Texas A&M University*

Intermediate Statistics, *California State University, Long Beach*

Research Methods, *California State University, Long Beach*

Social Psychology, *California State University, Long Beach*

Social Neuroscience, *Texas A&M University*

MENTORED UNDERGRADUATE RESEARCH PROJECTS

Undergraduate Honor Theses

Jessica L. Smarr (2014). The effects of sex and weight on punishment for moral transgressions. *Texas A&M University*.

Julia McDonald (2016). The effects of acute Acetaminophen administration on the late positive potential during passive image viewing. *Texas A&M University*.

Ajay G. Nadig (2017). Focusing on motivation: A reward-neuroscience approach to attentional scope. *Northwestern University*.

Grants Awarded to Mentored Undergraduate Students (\$20,500 total)

Ajay G. Nadig (2015) – The influence of cognitive scope on the processing of rewards. *Northwestern Undergraduate Research Grant*. Direct Costs: \$1000.

Caroline Grant (2016). Does executive functioning predict physiological indices of emotion regulation? *Northwestern Undergraduate Research Grant*. Direct Costs: \$3500.

Zachary Li (2016) – Using brain stimulation to reduce impulses in persons at risk for bipolar disorder. *Northwestern Undergraduate Research Grant*. Direct Costs: \$3500.

Jacqueline Maloney (2016) – Stimulation of the right dorsolateral prefrontal cortex as a treatment for internet addiction. *Northwestern Undergraduate Research Grant*. Direct Costs: \$3500.

Emily Smith (2017) – Emotion regulation, reward responsivity, and well-being. *Northwestern Undergraduate Research Grant*. Direct Costs: \$3500.

Stan Szydlo (2017) - Does executive functioning predict electrocortical indices of emotion regulation? *Northwestern Undergraduate Research Grant*. Direct Costs: \$3500.

Emily Smith (2017) – The psychological costs of altruistic behavior. *Northwestern Undergraduate Research Grant*. Direct Costs: \$1000.

Seungrok Hong - The effects of state and trait anxiety on implicit reactions to ambiguous stimuli. *Northwestern Undergraduate Research Grant*. Direct Costs: \$1000.

Award to Mentored Students

Jeanette Akuamoah (2017) – Reconsidering the role of brain images on judgements of scientific reasoning. Poster presented at the Northwestern University Neuroscience Undergraduate Summer Research Symposium. Winner of the best poster award.

PROFESSIONAL SERVICE

Reviewer – *Aggressive Behavior; Brain Imaging and Behavior; Cerebral Cortex; Cognition and Emotion; Cognitive, Affective, and Behavioral Neuroscience; Emotion; European Journal of Social Psychology; Frontiers in Psychology; Group Dynamics; International Journal of Psychophysiology; Motivation & Emotion; Journal of Experimental Social Psychology; Journal of Social Psychology; Journal of Research in Personality; Motivation and Emotion; Neuropsychologia; Social Cognitive Affective Neuroscience; Social Influence; Plos One; Psychology, Health & Medicine; Psychophysiology.*

Guest Associate Editor – *Frontiers in Behavioral Neuroscience* (2017-2018)

Reviewer – Association for Psychological Science, Student Grant Competition (2011-2014)

Reviewer – Association for Psychological Science, Student Research Award (2011-2014)

Program Committee – Society for Psychophysiological Research (2011-2013)

Committee to Promote Student Interests – Society for Psychophysiological Research (2011-2013; 2016-present)
